

§ 3560.67

7 CFR Ch. XXXV (1–1–05 Edition)

§ 3560.67 Rates and terms for section 515 loans.

Rates and terms for farm labor housing loans are found in subpart L of this part for Off-Farm and subpart M of this part for On-Farm.

(a) *Interest.* Loans will be closed at the lower of the interest rate in effect at the time of loan approval or the interest rate that is in effect at time of loan closing.

(b) *Interest credit.* The Agency will provide interest credit to subsidize the interest on the Agency loan to a payment rate of 1 percent for all of the Agency's initial and subsequent loans.

(c) *Amortization period and term.* (1) Except for manufactured housing, loans will be amortized over a period not to exceed the lesser of the economic life of the housing being financed or 50 years and paid over a term not to exceed 30 years from the date of loan. The Agency may make a loan to the borrower to finance the final payment of a loan in accordance with § 3560.74.

(2) Loans for manufactured housing will be amortized and paid over a term not to exceed 30 years as specified in § 3560.70(c).

§ 3560.68 Permitted return on investment (ROI).

(a) *Permitted return.* Borrowers operating on a limited profit basis will be permitted a return not to exceed 8 percent of their required initial investment determined at the time of loan approval in accordance with § 3560.63(c).

(b) *Calculation of permitted return.* The permitted return will be based on the borrower's contributions from their own resources, which, when added to the Agency loan amount and all sources of funding or financing, do not exceed the security value of the MFH project as specified in § 3560.63(a).

(1) Proceeds received by the borrower from the syndication of low-income housing tax credit and contributed to the MFH project may be considered funds from the borrower's own resources for the portion of the proceeds which exceeds:

(i) The allowable developer's fee determined by the state agency administering the low-income housing tax credit, and

(ii) The borrower's expected contribution to the transaction, as determined by the state agency administering the low-income housing tax credit.

(2) A building site contributed by the borrower will be appraised by the Agency to determine its market value. A return may not be allowed on the amount above the equity contribution required by § 3560.63(c) if the market value as determined by the Agency, when added to the loan and grant amounts from all sources, exceeds the security value of the MFH project as specified in § 3560.63(a).

(c) *Return on additional investment.* The initial investment may exceed the equity contribution required by § 3560.63(c) and a return allowed on the investment if the additional return does not increase basic rents and rental assistance costs above what basic rents and rental assistance costs would have been with the Agency financing 95 or 97 percent of the total development cost.

(d) *Compensation to nonprofit organizations.* Although nonprofit organizations are not eligible to take a return on investment, with prior Agency approval, cooperatives and nonprofit organizations may use housing project funds to pay asset management expenses directly attributable to ownership responsibilities, as described in § 3560.303(b)(1)(ii).

§ 3560.69 Supplemental requirements for congregate housing and group homes.

(a) *General.* Congregate housing and group homes must be planned and developed in accordance with 7 CFR part 1924, subparts A and C.

(b) *Design criteria.* Congregate housing and group homes must be designed to accommodate all special services that will be provided.

(c) *Services.* Congregate housing and group home loan applicants, as part of their loan request, must submit a plan to make affordable services available to residents to assist the residents in living independently. The plan must address the availability of this assistance from service providers throughout the term of the loan.

(1) For congregate housing, the resident services plan must address how
